Starblue Consultancy
Thoroughbred Investment Advisors

StarConsult

StarConsult is designed for customers who are seeking an advice from an industry expert when it comes to select and purchase a share in a racehorse from syndications or horse trainers. StarConsult is a different source of advice not affected by a conflict of interest.

Our 70 years of combined experience and reputation in the industry give us the possibility to choose for you the most profitable share(s) that is available in the market.

We will be analysing all the opportunities of investment based on your purchasing capacity. We will provide you a report of each share that will be proposed to you.

This report includes:

• Analysis of pedigree

• Inspection of the Thoroughbred

• Vet report (If required by the client)

Starblue Consultancy will explore investment opportunities from different sources:

1. Internal (Starblue Horse Trainers)

2. External (Syndication companies and other racehorse trainers)

All sources selected by Starblue are stickily examined by our team to ensure excellence in our selection.

All the sourced opportunities will be proposed on our social media platforms.

StarConsult is a revolution in the world of thoroughbred racing, this industry first service has been created to increase the return on investment of each investor.
